”Real change begins when people choose to protect what sustains them.”

OUR JOURNEY IN SANGAM

The Great Transformation in Gollakothapalli
This poster highlights a community development initiative in Girikothapalli aimed at protecting natural resources, especially water bodies. The campaign is organized by Mana Sankalpam Samstham (Our Resolve Organization).
The main focus of the initiative is to:
Protect public land and water resources.
Scientifically identify and preserve FTL (Full Tank Level) boundaries of lakes and ponds.
Prevent encroachment on water bodies.
Improve water conservation and ensure sustainable water management for the village.
The poster emphasizes that this is a public welfare and environmental protection project based on scientific methods and supported by documented evidence.

WHAT I CAN DO FOR YOU

"Facing issues related to water bodies, land encroachment, or illegal land sales? We are here to help. Reach out to us, and together we'll work towards a lawful and fair solution."

WINS I’M PROUD OF

Protected Water Bodies Helping communities identify and safeguard lakes, ponds, and FTL boundaries.

Improved Water Access Helped farmers secure reliable irrigation, supporting agriculture and strengthening rural livelihoods.

TESTIMONIALS

★★★★★ "The team helped us understand our land records and guided us in protecting our village pond. Their support was invaluable." – Local Farmer

★★★★★ "Thanks to Raithu Sankshema Sangham, we were able to report an illegal encroachment and preserve our community's water resources." – Village Resident

"NEED OUR HELP?"

Facing issues related to:
